Dear Mr. de Liege:

As District 3 Commissioner, I would like to extend a welcome to Alliance Bioenergy+, Inc., to purchase the INEOS Bio demonstration plant. As District 3 Commissioner, I am excited that Alliance will continue to produce renewable fuel sources, while at the same time providing an economic boost to Indian River County. As District 3 Commissioner, I fully support the operations at the biofuel plant and the employment opportunities it affords to the citizens of Indian River County.

Alliance's interest in investing in our community by bringing its innovative CTS patented technology would be an exciting addition to Indian River County.

I eagerly look forward to the acquisition and resurrecting of the plant. Please let me know if there is anything I can do to assist you.

Sincerely,

Commissioner Tim Zorc
District 3
